Bulletin 24-2

Date: January 22, 2024

To: All Insurers, Non-Profit Health Service Plans, and Dental Plan Organizations Authorized to Issue Insurance Contracts that Provide Health Insurance, Life Insurance, Property Insurance, or Casualty Insurance in Maryland; Health Maintenance Organizations Licensed to Operate in Maryland; The Maryland Automobile Insurance Fund; The Joint Insurance Association; and Premium Finance Companies

Re: Contact Information in the Event of a Disaster or Catastrophic Event

Pursuant to §2-115 of the Maryland Insurance Article and COMAR 31.01.02.04, all insurers, non-profit health service plans, and dental plan organizations authorized to issue insurance contracts that provide health insurance, life insurance, property insurance, or casualty insurance in Maryland; health maintenance organizations licensed to operate in Maryland; the Maryland Automobile Insurance Fund; the Joint Insurance Association; and premium finance companies shall provide the information requested below to the Maryland Insurance Administration by close of business on April 15, 2024. **This information must be submitted electronically at <https://www.apps.insurance.maryland.gov/DisasterContacts/>. Login IDs and passwords are being emailed to the primary contacts listed for each company. You can also contact Joyce Peach at (410) 468-2360 or ceau.mia@maryland.gov for the login information. Please review all fields to ensure all contact information is up to date.** The same person may be listed for more than one contact. Either the primary or back-up contact must be available to answer questions during evenings or weekends. The company is responsible for immediately notifying the Maryland Insurance Administration of any changes to any of the contact information. If you are unsure who the primary contact is that will be receiving the login credentials, please use the Contacts Search tab at the top of the Disaster Contacts page. After searching via the insurance carrier, you can see who all the current contacts are on file. Please note that if there are no changes, still be sure to have the primary contact login and click "Save" to record that the information has been reviewed.

- Company Name
 - NAIC Number (if applicable)

- 1) Primary Contact Name – (This person should be able to answer questions about your company and its ability to respond in the event of a disaster).
 - work address
 - phone number
 - fax number
 - cell number
 - email address

- 2) Back-up Contact Name – (This person should be able to answer questions about your company and its ability to respond in the event of a disaster).
 - work address
 - phone number
 - fax number
 - cell number
 - email address

- 3) Does your company have a plan in place to assist your policyholders in the event of a disaster that occurs in Maryland (e.g. hurricane, tornado, flood, pandemic flu)?
 - Who is the primary contact for this plan? – (This person must be able to respond in the event of an emergency or catastrophe and handle claims-related questions).
 - work address
 - phone number
 - fax number
 - cell number
 - email address

- 4) Does your company have a continuity of operations plan that will allow you to continue to provide service to your customers in the event of a disaster or other disruptive event?
 - Who is the primary contact for this plan? – (This person needs to be able to handle continuity of operations questions in the event of some disruption at your workplace, be it a disaster or other event).
 - work address
 - phone number
 - fax number
 - cell number
 - email address
 - Do you have offices located in Maryland?
 - If yes, where are they located and what functions are performed at these offices (e.g. claims processing, customer service center, etc.)?

- 5) Does your company have a pandemic flu plan?
 - Who is the primary contact for this plan? – (This person needs to be able to handle continuity of operations questions in the event of a serious depletion of the company's workforce, as a result of a pandemic flu).
 - work address
 - phone number
 - fax number
 - cell number
 - email address

- 6) Severe Event Data Call Contact – (This person needs to be able to provide severe event data for a specific severe event and reporting period when requested.)
- work address
 - phone number
 - fax number
 - cell number
 - email address
