In accordance with Md. Ann. Code, Ins. Art. § 2-110(a) (2017 Repl. Vol), Commissioner Kathleen A. Birrane hereby submits the annual report of the operations of the Maryland Insurance Administration (the “MIA” or “Administration”) for fiscal year (FY) 2023 (July 1, 2022 through June 30, 2023) (“this Report”). Section 2-110 (a) lists ten (10) discrete topics that must be included in the annual report and this Report adopts the order of contents set forth in the statute. Additionally, pursuant to Md. Economic Development Article § 6-307(b), in accordance with the Md. Ins. Art. § 2-110, the MIA has also provided a report on the job creation premium tax credit.

## **A. INTRODUCTION**

The Maryland Insurance Administration (the “MIA”) is the independent State agency charged with the regulation of Maryland’s \$46 billion insurance industry. The MIA’s mission is to protect the rights and interests of insurance consumers by facilitating a strong and competitive insurance market, enforcing insurance regulatory laws and requirements, and offering consumer education and assistance.

The MIA’s specific responsibilities include licensing insurance companies and insurance producers (brokers/agents) doing business in Maryland; conducting financial examinations of companies to monitor financial strength and solvency; reviewing and approving certain insurance company acquisitions, transactions, corporate actions, distributions, and investments; conducting market conduct examinations and investigations to monitor compliance with Maryland law; reviewing and (with respect to some lines of business) approving rates and policy/contract forms; investigating insurance fraud; and investigating consumer complaints about the conduct of licensees or other actors in the insurance market, including complaints about the actions of insurance producers and life, health, automobile, homeowners, title, and commercial insurers. The MIA produces educational material, guides, and alerts for insurance consumers and hosts virtual listening sessions, “lunch and learn” events, and educational webinars. The MIA’s Consumer Education and Advocacy Unit participates in hundreds of in-person community based events throughout the state each year and assists consumers with insurance needs after a disaster through its Virtual Disaster Center and by staffing in-person disaster recovery centers. The MIA also represents the State at the National Association of Insurance Commissioners (“NAIC”), the International Association of Insurance Supervisors (“IAIS”), and the Sustainable Insurance Forum (“SIF”). The MIA’s work is performed by a team of highly trained and professional staff of actuaries, financial analysts, auditors, examiners, accountants, lawyers, investigators, law enforcement officers, customer service representatives, consumer advocates, and others.

The MIA is a specially funded agency supported entirely through the collection of licensing fees and assessments on the insurance industry; it does not receive any money from the State’s General Fund. Assessments support two separate funds: the Insurance Regulation Fund, which supports the general administrative and regulatory activities of the MIA, and the Health Care Regulatory Fund, which funds the costs of complaint investigations (appeals and grievances) related to payment denials involving medical necessity. These funds are maintained year to year and unused assessments are used to decrease future assessments and are not transferred to the General Fund. The MIA contributed \$712,992,054 in revenue to the General Fund in FY23. These contributions consist of premium taxes collected on business written in the State and penalties assessed on licensees for violations of insurance laws and regulations. In lieu of a state income tax

on insurance company profits, the MIA collects a 2% tax on premiums from authorized insurers and a 3% tax on premiums written by unauthorized insurers.

Kathleen A. Birrane was appointed by Governor Larry Hogan to serve as Maryland’s Insurance Commissioner, effective May 18, 2020.

#### **a. Evergreen Health, Inc.**

On July 25, 2017, the MIA issued an Order prohibiting Evergreen Health, Inc. ("Evergreen Health") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and prohibiting Evergreen Health from selling or renewing any large or small group insurance policies without the prior approval of the Commissioner (Order MIA 2017-07-041). In addition, on July 31, 2017, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. That same day, the Court issued an Order of Rehabilitation by Consent (Case No. 24-C-17-003939) which appointed a Receiver to rehabilitate or liquidate Evergreen Health's business. On August 31, 2017, the Receiver filed a Motion to Liquidate Evergreen Health. The liquidation of Evergreen Health is on- going.

#### **b. Paramount Insurance Company**

On September 10, 2018, the MIA issued an order prohibiting Paramount Insurance Company ("Paramount") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and ordering Paramount to cease writing new or renewal business in Maryland and the District of Columbia (Order MIA 2018-09-003). On September 13, 2018, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. **5. Fees, Taxes, Administrative Fines, and Penalties**

*Section 2-110(a)(5) requires the submission of “a statement of all fees, taxes, and administrative fines and penalties received by the Commissioner and deposited into the General Fund of the State.”*

<b>TOTAL</b>	<b>\$712,992,054</b>

**6. Complaint Data**

*Section 2-110(a)(6) requires the submission of “the ratio of complaints filed during the calendar year against each insurer for each major line of insurance written by the insurer and a summary of the resolution of the complaints.”*

In FY23, the Administration received 10,020 formal complaints. A complaint index is attached as Appendix 3.

**Summary of FY23 Complaints**

Unit	Total Complaints
Life and Health	2,786
Appeals and Grievance	888
Property and Casualty	6,346
<b>TOTAL</b>	<b>10,020</b>

In addition to the formal complaint process, the MIA’s Rapid Response Program facilitates informal dispute resolution between consumers and certain property and casualty insurers. The Program is designed to address simple issues that can often be resolved quickly without the filing of a formal complaint. In FY23, the Rapid Response Program received 2,203 inquiries, primarily regarding automobile, homeowners, and liability insurance. Those inquiries are in addition to the 6,346 formal complaints received by the Property and Casualty Division of the MIA.

**7. Recommendations for Statutory Changes**

*Section 2-110(a)(7) requests the submission of “recommendations of the Commissioner about changes in the law affecting insurance and about matters affecting the Administration.”*

The Commissioner’s recommendations for statutory changes the Maryland General Assembly to consider during the 2024 Legislative Session include:

- 1) Revise sections in Maryland's Insurance and Health - General Articles to align Maryland law with existing federal requirements related to health insurance, found in the Patient Protection and Affordable Care Act (ACA) and the No Surprises Act. The MIA regularly submits departmental legislation to codify into Maryland law recent updates to federal statutes and regulations related to health insurance. Since the MIA's last federal conformity bill, there have been several updates that necessitate alignment.
- 2) Revise IN § 15-1309 to limit the circumstances in which an insurance carrier may terminate an individual health benefit plan due to a premium deficiency of \$10 or less within a 30 day period from written notice.
- 3) Protect Maryland consumers in the wake of severe weather or other catastrophic events by prohibiting solicitation by public adjusters: (1) within 24 hours of a loss that gives rise to an insurance claim, and (2) between the hours of 8:00 PM and 8:00 AM. Also, allow additional time for the possibility of cancellation or rescission of a public adjuster contract if the consumer entering into the contract is over 65 years old.

Additionally, IN §27-407.2 currently contains a constraint on protections against a fraudulent insurance act by contractors offering home repairs for damages to a private residence, which is currently limited to damages caused by weather. This protection should be expanded to damages caused by any loss-producing event.

- 4) Revise the Insurance Article to require all qualified health plans (QHPs) sold through the Maryland Health Benefits Exchange to include coverage for pediatric dental, thus codifying the status quo by preventing the introduction of future QHPs on the exchange that lack this coverage.
- 5) Adopt future accreditation standards found in the National Association of Insurance Commissioners' (NAIC) Insurance Holding Company System Regulatory Act (#440) and Insurance Holding Company System Model Regulation with Reporting Forms and Instructions (#450). These revisions are a part of the national, uniform system of prudential oversight of insurance companies to assure their solvency and financial soundness.
- 6) Eliminate the need for small business owners to incur the expense of being represented by an attorney in administrative proceedings before the MIA or hearings heard at the Office of Administrative Hearings (OAH) on behalf of the MIA. This recommendation aligns with recent changes in the law that allows small employers to appear without counsel in the Maryland small claims court.
- 7) Increase the maximum penalty that can be assessed against: (i) producers or public adjusters for violating the Insurance Article; and (ii) an unlicensed person engaged in the business of insurance. The Commissioner recommends keeping the minimum penalty at its current amount, but increasing the maximum penalty for the above

violations. The maximum penalties have not been adjusted since (i) 1963, and (ii) 1987, respectively, and no longer serve as an adequate deterrent.

During the 2023 Legislative Session, the Maryland General Assembly deliberated and enacted many bills that affect the business and regulation of insurance in Maryland. A comprehensive bulletin of enacted legislation can be found on the MIA website at:

[insurance.maryland.gov/Insurer/Documents/bulletins/23-9-Summary-of-Insurance-Laws-Enacted-in-2023.pdf](https://insurance.maryland.gov/Insurer/Documents/bulletins/23-9-Summary-of-Insurance-Laws-Enacted-in-2023.pdf)

## **8. Insurance Fraud and Producer Enforcement Division**

*Section 2-110(a)(8) requires the submission of “information about the operation of the Fraud Division, including”:*

- i. the number of complaints received that relate to insurance fraud, the nature of the complaints, and the resolution of the complaints;*
- ii. the number of complaints and cases referred to a State's Attorney and the resolution of the complaints or cases;*
- iii. the number of complaints and cases referred to the Office of the Attorney General and the resolution of the complaints or cases;*
- iv. the number of calls made to the insurance fraud hot line;*
- v. the number of complaints received from persons regulated by the Commissioner;*
- vi. the number of cases received from the Workers' Compensation Commission under § 9-310.2 of the Labor and Employment Article and the resolution of the cases;*
- vii. the total number of cases, by type of insurance fraud; and*
- viii. the number and percentage of cases that result in the imposition of civil or criminal penalties.*

In calendar year 2021, the Producer Enforcement Unit was transferred from the Market Regulation Division to the Fraud Division, which was renamed the Insurance Fraud and Producer Enforcement Division

The Producer Enforcement Unit's investigations focus on complaints regarding the conduct of licensed insurance producers of property, casualty, life and health insurance, bail bondsmen, and public adjusters. Two hundred ten (210) investigations were completed in FY 2023. Thirty-six (36) Enforcement orders were issued, wherein the Administration assessed \$54,000.00 in administrative penalties, and ordered \$248,387.16 in restitution. Fifty-three (53) licensing applicants were investigated.

In addition to the above, collectively, the Civil Fraud Unit, Criminal Fraud Unit, and the Attorney General Investigative Team investigated allegations of insurance fraud, which resulted in \$209,758.80 in restitution. The Civil Fraud Unit assessed \$167,750.00 in administrative penalties for violations of the Insurance Article.

The data contained in Appendix 4, “Statistical Data - FY23,” represent all case-related activity in FY23 and is not limited to activity on those cases received in FY23. Therefore, the number of received cases within a particular category will not equal the number of cases resolved/referred in that same category

## **9. Staffing and Salaries**

*Section 2-110(a)(9) requires the submission of “a list of all staff positions, classifications, and salaries in the Administration as of the end of the preceding calendar year.”*

The list is attached as Appendix 5.

## **10. Other Relevant Information**

*Section 2-110(a)(10) requests” any other relevant information that the Commissioner considers proper.”*

The Commissioner submits the following additional information regarding the operations of the MIA in FY23.

### **a. Consumer Education and Advocacy Unit**

The Consumer Education and Advocacy Unit (CEAU) is responsible for providing consumers with information about their insurance policies and assisting them in gaining a better understanding of their rights and obligations under those policies. The statutory framework for the CEAU is contained in §§2-301 through 2-305 of the Insurance Article. The CEAU also facilitates the resolution of consumer disputes with certain property and casualty insurers through the Rapid Response Program.

With respect to in-person engagements, during FY23, CEAU gave 48 in-person presentations and participated in 541 in-person events. These numbers will continue to increase as in-person events increase. Virtual events are, however, very popular with consumers and provide unique opportunities for the MIA to interact with consumers on specific topics or issues of interest and concern. Media interface is also very effective in outreach efforts to younger consumers. The MIA sponsored or participated in 165 virtual events in FY23.

Consumer outreach in FY23 included some of the following examples.

- **Virtual Disaster Center:** CEAU and the Communications Unit established a virtual alternative to the MIA’s in-person disaster centers to allow the agency to disseminate information and assist affected consumers following a disaster. Using secure ZoomGov technology, the MIA offers consumers general information and one-on-one, breakout-room meetings for consumers in need of assistance. This technology-based approach complements the MIA’s on-the-ground presence in the wake of disasters and provides an attractive alternative to traveling to a physical location. The MIA is able to host other state and local governmental agencies and

resource providers, providing Marylanders with full service virtual options. This has been very well received by consumers and responders as it allows consumers to secure meaningful assistance without needing to travel in the wake of a disaster.

- **Ask Mia Marketing Campaign:** The MIA launched a new virtual marketing campaign in FY21 targeting nontraditional audiences for insurance-related information. We created a cartoon character known as "Mia" that we use to promote events, virtual webinars and our virtual open houses. Since then, the MIA has expanded the "Mia" concept through social media and an interactive display at major events. In addition, the Mia character and her "friends" are used on social media.
- **Dedicated Spanish and Korean Website Sections:** In FY23, the MIA made significant changes to the Spanish & Korean pages by redesigning the layout adding more content.
  - [insurance.maryland.gov/En%20Espa%C3%B1ol/Pages/Spanish-Publications.aspx](https://insurance.maryland.gov/En%20Espa%C3%B1ol/Pages/Spanish-Publications.aspx)

- **Consumer Newsletter (Digital):** In FY23, the Communications Unit created a consumer-focused newsletter that contains information about our latest consumer events, consumer alerts and insurance tips. The newsletter is delivered monthly via the Granicus GovDelivery email platform to about 42,000 addresses.
- **Constituent Update:** The MIA has also created a Constituent Update to help public officials throughout Maryland keep their constituents informed about the resources our agency provides, including virtual services. This update is an interactive document that public officials can edit as they see fit and easily share with their constituents

b. Market Regulation and Professional Licensing Division

The Market Regulation and Professional Licensing Division's primary mission is to protect consumers from deceptive marketing, unfair claim settlement practices, underwriting and premium rating abuses, and misrepresentation of insurance coverage. The Division enforces regulatory compliance by companies and title insurance producers with applicable state laws and regulations. The Division also oversees the licensing of insurance producers.

In FY23, the Division's activities resulted in the return of \$9,093,400.37 to Maryland consumers, as well as the assessment of approximately \$296,500.00 in administrative penalties for violations of Maryland insurance law by insurers, producers and other regulated entities, which was deposited into the General Fund.

Within the Market Regulation and Professional Licensing Division, the Life and Health Market Conduct Examinations and the Property and Casualty Market Conduct Examinations units

conduct company examinations and investigations focused on business practices. Regulated entities reimburse the MIA for expenses incurred in performing these examinations. In FY23, regulated entities reimbursed the Administration \$488,770.71 in examination fees and expenses.

The Title Enforcement group within the Property and Casualty Market Conduct unit focuses on complaints about individual title producers. Title Enforcement completed 469 investigations of the activities of insurance producers conducting business in Maryland and issued 6 orders. The restitution amounts listed in the table below include funds escheated to the State of Maryland.

**FY23 Summary**

	<b>Fines Assessed</b>	<b>Restitution</b>
Market Conduct	\$288,500.00	\$2,144,700.37
Enforcement	\$8,000.00	\$6,948,700.00
<b>Total</b>	<b>\$296,500.00</b>	\$9,093,400.37
	<b>Per Diems</b>	<b>Expenses</b>
Market Conduct	\$474,223.00	\$14,547.71

Copies of orders, consent orders, and market conduct examination reports issued by the Market Regulation and Professional Licensing Division are available at [insurance.maryland.gov](https://insurance.maryland.gov)

The Market Analysis unit establishes and meets State objectives for integration of market data analysis, market conduct, and interstate collaborative efforts into a cohesive oversight program of the insurance market. In FY23, Market Analysis completed 59 baseline reviews of 40 licensed carriers and posted them to the NAIC’s Market Analysis Review System (“MARS”).

The Producer Licensing unit issues licenses and registrations to qualified resident and nonresident insurance professionals, including corporations, partnerships, and limited liability companies. In FY23, the Producer Licensing unit issued 48,345 initial licenses and renewed 76,958 licenses to producers, public adjusters, insurance advisers, motor club representatives, surplus lines brokers, viatical settlement providers/brokers, third party administrators, self-storage producers and portable electronic vendors. The Producer Licensing unit received 733 paper applications and 127,129 on-line applications in FY23. The total licensee population was 1,110,250 at the end of the FY23, which was comprised of 179,627 resident licenses/registrations and 930,623 non-resident licenses/registrations. The Producer Licensing unit collected \$8,787,122.24 in license fees and \$299,284.00 in license exam fees. As of the end of FY23, the Administration has 560 Continuing Education (CE) and 41 Pre-Licensing active providers of continuing education for producers and 6,315 CE courses and 106 active Pre-Licensing courses.

c. Rate Review Pursuant to the Affordable Care Act (ACA)

With respect to health plans subject to the Affordable Care Act (ACA), in FY23, the Office of the Chief Actuary (OCA) reviewed, revised, and approved rate filings from three carriers in the

Individual ACA market and four carriers in the Small Group market for plans with an effective date on or after January 1, 2023 through the Maryland Health Benefit Exchange (MHBE) or independently. For stand-alone dental plans, the OCA reviewed, revised, and approved rate filings from four carriers in the Individual ACA market. The OCA also initiated the rate review process for the 2024 ACA premium rate filings for plans to be sold on and off of the MHBE. The OCA also supported analysis and monitoring through the MHBE of years four and five of the State Reinsurance Program (SRP) federal 1332 waiver reinsurance program as well as the 5-year extension; and began analysis of the SRP and other market reforms for the HB 413 report.

### **C. JOB CREATION PREMIUM TAX CREDIT IN 2022**

Section 6-114 of the Insurance Article permits an insurer to claim a tax credit against its premium tax for wages paid to qualified employees as provided under Title 6, Subtitle 3 of the Economic Development Article. Under Section 6-307(b), of the Maryland Economic Development Article, the Maryland Insurance Commissioner is required to submit a report, in accordance with §2-110, listing each insurer claiming a job tax credit against its insurance premium tax owed, the total amount of credits claimed by insurers under §6-114 of the Insurance Article, and the number of insurers claiming the tax credit.

- No insurers claimed a job creation tax credit for the 2022 premium tax year.
