**Re: FY 2025 Annual Report of the Maryland Insurance Administration
(MSAR # 1690) (inc. Job Creation Premium Tax Credit Report (MSAR # 11106) and
Recommended Changes in Capital Stock and Surplus Requirements (MSAR # 798))**

Dear Governor Moore, President Ferguson, and Speaker Pena-Melnyk:

Enclosed is the FY 2025 Annual Report of the Maryland Insurance Administration. This report is respectfully submitted pursuant to § 2-110(a) of the Maryland Insurance Article. Also included as their own sections of the Annual Report, is the "Job Creation Premium Tax Credit Report" (MSAR # 11106) and "Recommended Changes in Capital Stock and Surplus Requirements" (MSAR # 798). Section 6-307(b) of the Economic Development Article requires that, in accordance with § 2-110 of the Insurance Article, the MIA report on each insurer claiming the credit against the insurance premium tax under § 6-114 of the Insurance Article, the total amount of credits claimed by those insurers, and the number of insurers claiming the credit. Additionally, Section 2-110(b) requires that every 5 years, the Commissioner shall report any recommended changes to capital stock and surplus requirements.

Five printed copies of this report have been mailed to the DLS library for their records.

Should you have any questions regarding this report, please do not hesitate to contact me or my Associate Commissioner of External Affairs and Policy Initiatives, Jamie Sexton, at jamie.sexton@maryland.gov.

Sincerely,

Marie Grant
Insurance Commissioner

In accordance with Md. Ann. Code, Ins. Art. § 2-110(a) (2017 Repl. Vol), Commissioner Marie Grant hereby submits the annual report of the operations of the Maryland Insurance Administration (the “MIA” or “Administration”) for fiscal year (FY) 2025 (July 1, 2024 through June 30, 2025) (“this Report”). Section 2-110 (a) lists ten (10) discrete topics that must be included in the annual report and this Report adopts the order of contents set forth in the statute. This Report also contains a report on the job creation premium tax credit, pursuant to Md. Economic Development Article § 6-307(b), in accordance with the Md. Ins. Art. § 2-110, and a report on recommended changes in capital stock and surplus requirements, pursuant to Md. Ins. Article § 2-110 (b).

A. INTRODUCTION

The Maryland Insurance Administration (the “MIA”) is the independent State agency charged with the regulation of Maryland’s \$49 billion insurance industry. The MIA’s primary mission is to protect the rights and interests of insurance consumers by facilitating a strong and competitive insurance market, enforcing insurance regulatory laws and requirements, and offering consumer education and assistance.

The MIA’s specific responsibilities include licensing insurance companies and insurance producers (brokers/agents) doing business in Maryland; conducting financial examinations of companies to monitor financial strength and solvency; reviewing and approving certain insurance company acquisitions, transactions, corporate actions, distributions, and investments; conducting market conduct examinations and investigations to monitor compliance with Maryland law; reviewing and (with respect to some lines of business) approving rates and policy/contract forms; investigating insurance fraud; and investigating consumer complaints about the conduct of licensees or other actors in the insurance market, including complaints about the actions of insurance producers and life, health, automobile, homeowners, title, and commercial insurers.

The MIA produces educational material, guides, and alerts for insurance consumers and hosts virtual listening sessions, “lunch and learn” events, and educational webinars. The MIA’s Consumer Education and Advocacy Unit participates in hundreds of in-person and virtual community-based events throughout the state each year and assists consumers with insurance needs after a disaster through its Virtual Disaster Center and by staffing in-person disaster recovery centers.

The MIA also represents the State at the National Association of Insurance Commissioners (“NAIC”), the International Association of Insurance Supervisors (“IAIS”), and the Sustainable Insurance Forum (“SIF”). The MIA’s work is performed by a team of highly trained and professional staff of actuaries, financial analysts, auditors, examiners, accountants, lawyers, investigators, law enforcement officers, customer service representatives, consumer advocates, and others.

The MIA is a specially funded agency supported entirely through the collection of licensing fees and assessments on the insurance industry; it does not receive any money from the State's General Fund. Assessments support two separate funds: the Insurance Regulation Fund, which supports the general administrative and regulatory activities of the MIA, and the Health Care Regulatory Fund, which funds the costs of complaint investigations (appeals and grievances) related to payment denials involving medical necessity, the Consumer Education and Advocacy Program, as well as costs associated with the regulation of Private Review Agents and Medical Directors. These funds are maintained year to year and unused assessments are used to decrease future assessments and are not transferred to the General Fund. The MIA contributed \$792,233,640 in revenue to the General Fund in FY25. These contributions consist of premium taxes collected on business written in the State and penalties assessed on licensees for violations of insurance laws and regulations. In lieu of a state income tax on insurance company profits, the MIA collects a 2% tax on premiums from authorized insurers and a 3% tax on premiums written by unauthorized insurers.

Marie L. Grant was appointed by Governor Wes Moore to serve as Maryland's Insurance Commissioner, effective October 1, 2024. Commissioner Grant was confirmed by the Maryland Senate during the 2025 General Assembly session and was officially sworn in by Governor Moore on April 3, 2025.

B. SECTION 2-110(A)(1)-(10) INFORMATION

1. Maryland Authorized Insurers and Summary Financial Statements

Section 2-110(a)(1) requires the submission of "a list of the authorized insurers transacting insurance business in the State, with any summary of their financial statement that the Commissioner considers appropriate."

The list is attached as Appendix 1.

2. Closed Insurers

Section 2-110(a)(2) requires the submission of "the name of each insurer whose business was closed during the year, the cause of the closure, and the amount of assets and liabilities of the insurer that is ascertainable."

Licensees who ceased doing business in Maryland in FY25 are identified in the following table; however, at the time the certificate of authority was relinquished, the assets and liabilities of these insurers were not ascertainable. Six companies did not renew or voluntarily withdrew from Maryland; four of these were P&C companies, one was a Life, Accident and Health company and one was a Health Company. Five companies merged into another entity; three of these were Life, Accident and Health companies, one was a P&C company, and one was a

Fraternal Benefit Society. Six companies entered into Liquidation or Rehabilitation; three of these companies were Risk Retention Groups and three of these companies were Life, Accident and Health companies.

Table 1: Relinquished Certificates of Authority			
7/1/24-6/30/25			
Company Name	NAIC #	Effective	Action Taken
ACA Financial Guaranty Corporation	22896	7/1/2024	Voluntarily withdrew from Maryland
Anthem Life Insurance Company	61069	6/6/2025	Merger or consolidation into another entity - no longer active
Assured Guaranty Municipal Corp.	18287	7/1/2024	Merger or consolidation into another entity - no longer active

Company Name	NAIC #	Effective	Action Taken
Woman's Life Insurance Society	56170	7/1/2024	Merger or consolidation into another entity - no longer active

3. Delinquent Insurers

Section 2-110(a)(3) requires the submission of “the name of each insurer against whom delinquency or similar proceedings were initiated, a concise statement of facts about each delinquency or similar proceeding, and the status of each proceeding.”

No delinquency or similar proceedings were initiated by the MIA in FY25. With respect to delinquency proceedings initiated in prior years, the MIA provides the following updates:

a. Evergreen Health, Inc.

On July 25, 2017, the MIA issued an Order prohibiting Evergreen Health, Inc. ("Evergreen Health") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and prohibiting Evergreen Health from selling or renewing any large or small group insurance policies without the prior approval of the Commissioner (Order MIA 2017-07-041). In addition, on July 31, 2017, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. That same day, the Court issued an Order of Rehabilitation by Consent (Case No. 24-C-17-003939) which appointed a Receiver to rehabilitate or liquidate Evergreen Health's business. On August 31, 2017, the Receiver filed a Motion to Liquidate Evergreen Health. On September 1, 2017, the Circuit Court for Baltimore City entered an Order Authorizing Liquidation of Evergreen Health and an Order Directing Certain Health Maintenance Organizations to Offer Evergreen Members an Open Enrollment Period. The liquidation of Evergreen Health is on-going. The Receiver has compiled and adjudicated the claims against the estate and the claim report was approved by the Circuit Court of Baltimore City on August 9, 2025. . In 2019, the Receiver requested a release from the United States Department of Justice to allow for a distribution.

b. Paramount Insurance Company

On September 10, 2018, the MIA issued an Order prohibiting Paramount Insurance Company ("Paramount") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and ordering Paramount to cease writing new or renewal business in Maryland and the District of Columbia (Order MIA 2018-09-003). On September 13, 2018, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. That same day, the Circuit Court granted a motion and signed the Order of Rehabilitation by Consent (Case No. 24-C-18-005120) which appointed a Receiver to rehabilitate or liquidate Paramount's business. On January 9, 2019, the Circuit Court for Baltimore City entered an Order Authorizing Liquidation of Paramount. The Receiver obtained a release from the United States Department of Justice on March 7, 2025, and the

Circuit Court of Baltimore City approved the Release Agreement on May 20, 2025. The liquidation of Paramount is on-going. The Receiver is working with the guaranty associations to adjudicate the final claims against the estate and is preparing for a distribution and estate closing..

4. Rulings and Decisions

Section 2-110(a)(4) requires the submission of “a list of the rulings and decisions made in cases before the Administration during the year.”

The list is attached as Appendix 2.

5. Fees, Taxes, Administrative Fines, and Penalties

Section 2-110(a)(5) requires the submission of “a statement of all fees, taxes, and administrative fines and penalties received by the Commissioner and deposited into the General Fund of the State.”

Table 2: MIA CONTRIBUTIONS TO THE GENERAL FUND IN FY25

	FY25
General Fund Contributions	
Premium Taxes	\$ 786,922,314
Retaliatory Taxes	4,006,901
Fines	\$ 1,304,425
Total:	\$ 792,233,640

6. Complaint Data

Section 2-110(a)(6) requires the submission of “the ratio of complaints filed during the calendar year against each insurer for each major line of insurance written by the insurer and a summary of the resolution of the complaints.”

In FY25, the Administration received 12,162 formal complaints. A complaint index is attached as Appendix 3.

Table 3: Summary of FY25 Complaints

Unit	Total Complaints
Life and Health	3,753
Appeals and Grievance	1,229
Property and Casualty	7,180
TOTAL	12,162

In addition to the formal complaint process, the MIA’s Rapid Response Program facilitates informal dispute resolution between consumers and certain property and casualty insurers. The Program is designed to address simple issues that can often be resolved quickly without the filing of a formal complaint. In FY25, the Rapid Response Program received 2,070 inquiries, primarily regarding automobile, homeowners, and liability insurance. Those inquiries are in addition to the 7,180 formal complaints received by the Property and Casualty Division of the MIA.

7. Recommendations for Statutory Changes

Section 2-110(a)(7) requests the submission of “recommendations of the Commissioner about changes in the law affecting insurance and about matters affecting the Administration.”

The Commissioner’s recommendations for statutory changes the Maryland General Assembly to consider during the 2026 Legislative Session include:

1) Notification Requirements and Consumer Protections When Material Changes Are Made to Provider Networks:

Disputes between health insurance carriers and large provider groups can lead to provider groups exiting carrier panels, affecting access to necessary provider networks for both current and future enrollees. Recently, negotiations have intensified, promoting concerns about access to in-network providers in Maryland.

To enhance oversight, the MIA recommends amending the Insurance Article to mandate that carriers inform the Commissioner of potential significant network changes prior to their effective date and ensure timely notification to affected consumers when providers leave the network.

Additionally, the MIA recommends amending §§ 15–112 and §15–1316 of the Insurance Article to include:

- A provision that requires health carriers and hospitals involved in a contract dispute to adhere to their contractual terms, including reimbursement conditions, for 90 days following contract expiration or termination.
- A provision that extends these 90-day contract protections to any provider of behavioral health services from whom the carrier has received a claim

in the prior three months.

- A provision extending the required notice before removing a provider from the network to 90 days.
- A provision requiring that health carriers and participating providers provide each other with at least 90 days' written notice if they intend to terminate or not renew their contracts. The carrier is also required to make a good faith effort to inform affected patients at least 30 days prior to the termination date.
- A special enrollment period clause for the individual market in instances of significant network changes.

2) Settlement of Claims and Consumer Notices in Property Insurance:

Some property insurers apply depreciation to the expense of labor needed to repair or replace damaged or destroyed property when settling a claim on an actual cash value basis. Unlike physical goods and materials, labor does not wear out or lose value over time. Thus, the MIA recommends amending the Insurance Article to prohibit an insurer, when adjusting and settling a first party claim under a residential or commercial property insurance policy based on the actual cash value of property, from treating the expense of labor necessary to repair, rebuild, or replace the property as having depreciated.

Consumer complaints have alerted the MIA that it is becoming increasingly common for insurers to eliminate or reduce coverage under homeowner's and renter's policies at renewal, without clearly notifying affected policyholders of changes in coverage. The MIA also recommends amending the Insurance Article to require insurers to notify the insured, at least 45 days in advance, of each renewal of a policy of homeowner's insurance or renter's insurance, if any coverage provided under the expiring policy will be reduced or eliminated under the renewal policy.

3) Codification of Certain Federal Requirements for Mental Health and Substance Use Disorders:

The MIA recommends codifying certain aspects of a federal rule that enhances the enforcement of parity requirements for Mental Health and Substance Use Disorders into Maryland state law. Some provisions of the September 2024 Requirements Related to the Mental Health Parity and Addiction Equity Act Final Rule (2024 Final Rule) align with the MIA's existing interpretations; the MIA recommends that new critical requirements be proactively included in state law to protect Maryland consumers. These consist of definitions for mental health conditions and substance use disorders that align with the International Classification of Diseases or the Diagnostic and Statistical Manual of Mental Disorders.

The MIA further recommends prohibitions on the use of discriminatory factors and evidentiary standards when carriers design nonquantitative treatment limitations (NQTLs). Carriers should be required to collect, evaluate, and act upon relevant

outcomes data pertaining to NQTLs, and ensure that meaningful benefits for mental health and substance use disorders are provided on par with those for medical and surgical services.

Lastly, the MIA highlights the importance of de-linking Maryland's law from federal requirements where necessary to ensure stronger consumer protections in the realm of mental health care in the state.

4) Special Enrollment Periods for Medicare Supplement Policies

The MIA recommends amending §15–909 of the Insurance Article to enact two 63-day Special Enrollment Periods (SEP) with guaranteed-issue to obtain a Medicare Supplement Policy after losing Medical Assistance. The 63-day SEPs should apply to:

1. Marylanders who are Medicare-eligible individuals who were also covered under Medicaid, including the Qualified Medicare Beneficiary (QMB) or the Specified Low-Income Medicare Beneficiary (SLMB) programs, and then disenrolled from Medicaid; and
2. Marylanders who were eligible for Medicare before January 1, 2020, and are in a circumstance that qualifies for a SEP with a guaranteed issue right for Medicare Supplement plans to include in that guaranteed issue right the new plans D or G that were established on January 1, 2020.

5) Expanded Enforcement and Penalization of Third Party Administrators' Violations of the Insurance Article:

Revise §§ 8–309 and 8–320 of the Insurance Article to expand the Insurance Commissioner's enforcement authority to penalize a Third Party Administrator (TPA) to include violations of the Insurance Article, not just violations of the TPA subtitle.

This revision would allow the Insurance Commissioner to hold a TPA directly accountable for violations of the Insurance Article, whereas current law requires separate actions to be taken against each health carrier utilizing a respective TPA that is committing the infraction(s), not the TPA itself.

6) Revising the Effective Dates for Small Business Health Options Plan (SHOP) Enrollment

Update the Maryland Insurance Article's special enrollment periods within the Small Business Health Option Program (SHOP) for small employers to eliminate a current conflict with federal standards, allowing employees to have their coverage effective from the first day of the upcoming month, regardless of when in the preceding month they submit their applications. By simplifying the effective dates, this change would reduce confusion and ensure that employees maintain continuous health coverage. The streamlined enrollment process would benefit both small

businesses in Maryland and their employees.

In addition, the Maryland Insurance Administration intends to work closely with members of the General Assembly during the 2026 legislative session on topics such as the affordability of private passenger auto insurance in Maryland; the affordability and availability of home insurance in Maryland; the strength of Maryland's health insurance markets amidst a changing federal landscape; and regulation of utilization management, adverse decisions, and appeals and grievances in the fully insured health insurance market.

During the 2025 Legislative Session, the Maryland General Assembly deliberated and enacted many bills that affect the business and regulation of insurance in Maryland. A comprehensive bulletin of enacted legislation can be found on the MIA website at: <https://insurance.maryland.gov/Insurer/Documents/bulletins/25-9-Summary-of-Insurance-Laws-Enacted-in-2025.pdf>

8. Insurance Fraud and Producer Enforcement Division

Section 2-110(a)(8) requires the submission of “information about the operation of the Fraud Division, including:

- i. the number of complaints received that relate to insurance fraud, the nature of the complaints, and the resolution of the complaints;*
- ii. the number of complaints and cases referred to a State's Attorney and the resolution of the complaints or cases;*
- iii. the number of complaints and cases referred to the Office of the Attorney General and the resolution of the complaints or cases;*
- iv. the number of calls made to the insurance fraud hot line;*
- v. the number of complaints received from persons regulated by the Commissioner;*
- vi. the number of cases received from the Workers' Compensation Commission under § 9-310.2 of the Labor and Employment Article and the resolution of the cases;*
- vii. the total number of cases, by type of insurance fraud; and*
- viii. the number and percentage of cases that result in the imposition of civil or criminal penalties.”*

The Insurance Fraud and Producer Enforcement Division encompasses three areas: producer enforcement, title producer enforcement, and civil and criminal fraud investigations.

The Producer Enforcement Unit's primary focus is investigating complaints related to the conduct of licensed insurance producers, advisers, public adjusters, and other insurance professionals required to hold a Maryland license or registration to engage in the insurance business within the state. During FY 2025, one hundred eighty-six (186) Producer Enforcement investigations were completed. Out of these investigations, thirty (30) Producer Enforcement orders were issued, resulting in the imposition of \$56,050.00 in administrative penalties and the

requirement to pay \$33,247.51 in restitution. It's important to note that seventy-one (71) of the one hundred eighty-six (186) investigations were conducted into license applicants.

The Title Enforcement group focuses on complaints about individual title producers. The Title Enforcement group completed 1,625 investigations of the activities of title insurance producers conducting business in Maryland, of which 1,204 were license applicants. There were eleven (11) Title Enforcement orders issued, wherein the Administration assessed \$5,900.00 in administrative penalties, and ordered \$261,183.64 in restitution.

In addition to the above, collectively, the Civil Fraud Unit, Criminal Fraud Unit, and the Attorney General Investigative Team investigated insurance fraud allegations, resulting in \$18,900,677.16 in restitution. The Civil Fraud Unit assessed \$80,250.00 in administrative penalties for violations of the Insurance Article.

The data contained in Appendix 4, "Statistical Data - FY25," represents all case-related activity in FY25 and is not limited to activity on those cases received in FY25. Therefore, the number of received cases within a particular category will not equal the number of cases resolved/referred in that same category.

Copies of orders, and consent orders issued by the Fraud and Enforcement Division are available at insurance.maryland.gov.

9. Staffing and Salaries

Section 2-110(a)(9) requires the submission of "a list of all staff positions, classifications, and salaries in the Administration as of the end of the preceding calendar year."

The list is attached as Appendix 5.

10. Other Relevant Information

Section 2-110(a)(10) requests "any other relevant information that the Commissioner considers proper."

The Commissioner submits the following additional information regarding the operations of the MIA in FY25.

i. Consumer Education and Advocacy Unit

The Consumer Education and Advocacy Unit (CEAU) is responsible for providing consumers with information about their insurance policies and assisting them in gaining a better understanding of their rights and obligations under those policies. The statutory framework for the CEAU is contained in §§2-301 through 2-305 of the Insurance Article. The CEAU also facilitates the resolution of consumer disputes with certain property and casualty insurers through the Rapid Response Program, as well as life and health insurers through the Health Coverage

Assistance Team (H-CAT).

With respect to consumer engagements, during FY25, CEAU gave 86 presentations and participated in 554 events. Events are popular with consumers of all ages and provide unique opportunities for the MIA to interact with consumers on specific topics or issues of interest and concern. Social media is also very effective in outreach efforts to younger consumers, and CEAU works closely with the Communications Unit to spread the word about its events, presentations, and consumer-facing documents.

Consumer outreach in FY25 included some of the following examples:

- **Virtual Disaster Center:** CEAU and the Communications Unit established a virtual alternative to the MIA's in-person disaster centers to allow the agency to disseminate information and assist affected consumers following a disaster. Using secure ZoomGov technology, the MIA offers consumers general information and one-on-one, breakout-room meetings for consumers in need of assistance. This technology-based approach complements the MIA's on-the-ground presence in the wake of disasters and provides an attractive alternative to traveling to a physical location. The MIA is able to host other state and local governmental agencies and resource providers, providing Marylanders with full service virtual options. This has been very well received by consumers and responders as it allows consumers to secure meaningful assistance without needing to travel in the wake of a disaster.
- **Ask Mia Marketing Campaign:** The MIA launched a new virtual marketing campaign in FY21 targeting nontraditional audiences for insurance-related information. We created a cartoon character known as "Mia" that we use to promote events, virtual webinars, and our virtual open houses. Since then, the MIA has expanded the "Mia" concept through social media and an interactive display at major events. In addition, the Mia character and her "friends" are used on social media.
- **Consumer Newsletter (Digital):** In FY23, the Communications Unit created a consumer-focused newsletter that contains information about the MIA's latest consumer events, consumer alerts, and insurance tips. In FY25, the newsletter was delivered to about 47,000 addresses monthly, about an 11.9% increase from FY23, via the Granicus GovDelivery email platform.
- **Constituent Update:** The MIA has also continued its use of a Constituent Update, which is emailed out monthly to help public officials throughout Maryland keep their constituents informed about the resources our agency provides, including virtual services. This update is an interactive document that public officials can edit as they see fit and easily share with their constituents.
- **Health Coverage Assistance Team Development:** Consistent with MIA's mission to protect consumers, in FY24 the MIA developed and launched the Health Coverage Assistance Team (H-CAT) to help Marylanders with any health

coverage-related question or barrier to receiving care, including behavioral health, regardless of whether their health plan is regulated by the MIA. H-CAT officially launched in mid-June 2024. In its first year of service, H-CAT helped more than 2,000 people from all areas of Maryland, by answering their health coverage questions or addressing the challenges directly, or by walking alongside them as they navigated through the process of working with other entities to resolve their question or concern.. Nearly three out of four people who contact H-CAT seek help for themselves, and others are trying to help another person. When people had questions about what is covered by their insurance, most often it was about prescription drugs, hearing aids, or dental care. The people who wanted help using their coverage to access care were most often seeking behavioral health services, certain medications, physician services, dental care, or home health services. In two out of three cases, H-CAT was able to directly resolve the issue or helped the consumer work with another entity to address the question or concern. Consumers who worked with H-CAT have been extremely positive: 96% were satisfied or very satisfied, and 93% would recommend H-CAT to others.

- **Rapid Response Program (RRP):** In FY25 RRP handled 2,070 cases and recovered over \$9,480,795.74 for MD consumers. Beginning in August 2024, RRP also started responding to general P&C inquiries. Over the last eleven months, the team answered 5,498 calls for assistance.

ii. Market Regulation and Professional Licensing Division

The Market Regulation and Professional Licensing Division's primary mission is to protect consumers from deceptive marketing, unfair claim settlement practices, underwriting and premium rating abuses, and misrepresentation of insurance coverage. The Division enforces regulatory compliance by companies with applicable state laws and regulations. The Division also oversees the licensing of insurance producers.

In FY25, the Division's activities resulted in the return of \$10,555,650.98 to Maryland consumers, as well as the assessment of approximately \$481,500.00 in administrative penalties for violations of Maryland insurance law by insurers, producers and other regulated entities, which was deposited into the General Fund.

Within the Market Regulation and Professional Licensing Division, the Life and Health Market Conduct Examination and the Property and Casualty Market Conduct Examination units conduct company examinations and investigations focused on business practices. Regulated entities reimburse the MIA for expenses incurred in performing these examinations. In FY25, regulated entities reimbursed the Administration \$320,296.25 in examination fees.

Copies of orders, consent orders, and market conduct examination reports issued by the Market Regulation and Professional Licensing Division are available at insurance.maryland.gov

The Market Analysis unit establishes and meets State objectives for integration of market data analysis, market conduct, and interstate collaborative efforts into a cohesive oversight

program of the insurance market. In FY25, Market Analysis completed 29 baseline reviews of 20 licensed carriers and posted them to the NAIC's Market Analysis Review System ("MARS").

The Producer Licensing unit issues licenses and registrations to qualified resident and nonresident insurance professionals, including corporations, partnerships, and limited liability companies. In FY25, the Producer Licensing unit issued 55,615 initial licenses and renewed 85,837 licenses to producers, public adjusters, insurance advisers, motor club representatives, surplus lines brokers, viatical settlement providers/brokers, third party administrators, self-storage producers and portable electronic vendors. The Producer Licensing unit received 485 paper applications and 142,671 online applications in FY25. The total licensee population was 304,954 at the end of the FY 2025, which was comprised of 47,060 resident licenses/registrations and 257,894 non-resident licenses/registrations. The Producer Licensing unit collected \$9,673,030.00 in license fees and \$352,400.00 in license exam fees. At the end of FY25, the Administration has 521 Continuing Education (CE) active providers of education for producers and 6,086 CE courses.¹

iii. Rate Review Pursuant to the Affordable Care Act (ACA)

With respect to health plans subject to the Affordable Care Act (ACA), in FY25, the Office of the Chief Actuary (OCA) reviewed, revised, and approved rate filings from five carriers in the Individual ACA market and four carriers in the Small Group market for plans with an effective date on or after January 1, 2025 through the Maryland Health Benefit Exchange (MHBE) or independently. For stand-alone dental plans, the OCA reviewed, revised, and approved rate filings from four carriers in the Individual ACA market. The OCA also initiated the rate review process for the 2026 ACA premium rate filings for plans to be sold on and off the MHBE. The OCA also supported analysis and monitoring through the MHBE of years five and six of the State Reinsurance Program (SRP) federal 1332 waiver reinsurance program, as well as projections for the 5-year extension.

C. JOB CREATION PREMIUM TAX CREDIT IN 2024

Section 6-114 of the Insurance Article permits an insurer to claim a tax credit against its premium tax for wages paid to qualified employees as provided under Title 6, Subtitle 3 of the Economic Development Article. Under Section 6-307(b), of the Maryland Economic Development Article, the Maryland Insurance Commissioner is required to submit a report, in accordance with §2-110, listing each insurer claiming a job tax credit against its insurance premium tax owed, the total amount of credits claimed by insurers under §6-114 of the Insurance Article, and the number of insurers claiming the tax credit.

- No insurers claimed a job creation tax credit for the 2024 premium tax year.

¹ As of FY25, there are no longer any pre-licensing education providers or courses.

D. QUINQUENNIAL RECOMMENDED CHANGES IN CAPITAL STOCK AND SURPLUS REQUIREMENTS

Section 2-110(b) of the Insurance Article, Annotated Code of Maryland, provides that at least once every five years after December 1, 1995, the Insurance Commissioner shall prepare a report recommending any changes that the Commissioner considers appropriate to the capital stock and surplus requirements set forth in Sections 4-104 and 4-105 of the Insurance Article. For the reason stated below, Commissioner Grant does not believe any changes to those minimum capital stock and surplus requirements are necessary at this time.

While Sections 4-104 and 4-105 of the Insurance Article establish the minimum capital stock and surplus requirements an insurer must satisfy to qualify for a certificate of authority to transact insurance business in Maryland, Section 4-103(c) authorizes the Commissioner to require a greater level of capital and surplus for each insurer. Specifically, each insurer's assets and surplus must be reasonable in relation to its outstanding liabilities and adequate to its financial needs. A number of factors must be considered in determining whether an insurer's assets and surplus are reasonable in relation to its outstanding liabilities and adequate to meet its needs, such as the size of the insurer; the extent to which the insurer's business is diversified among the several lines of insurance; the number and size of risks insured; the quality, diversification, and liquidity of the insurer's investment portfolio; and the levels of surplus maintained by comparable insurers.

In addition, the risk-based capital ("RBC") standards for insurers, set forth in Title 4 Subtitle 3 of the Insurance Article, supplement the minimum requirements of Sections 4-104 and 4-105. They provide a standardized approach to determine the amount of capital and surplus appropriate for an insurance company to support its overall business operations in consideration of its size and risk profile. RBC standards provide a means of setting capital requirements based on the degree of risk taken by an insurer by applying factors to various assets, premium, and claim reserve items. The RBC formula and factors to be applied to asset, premium and reserves are regularly reviewed and modified as appropriate by the National Association of Insurance Commissioners, of which Maryland is a member.

In December 2025, the NAIC's Risk-Based Capital (RBC) Model Governance Task Force adopted a new set of guiding principles designed to modernize the framework used to monitor insurer solvency. The principles aim to ensure a consistent, transparent approach to how RBC requirements are adjusted in response to new market risks and industry innovation. By strengthening these standards, regulators hope to identify financially weak insurers earlier, allowing for corrective action before policyholders are negatively affected. Regulators will conduct a formal review to identify necessary formula changes in 2026. The framework reinforces the goal of maintaining a level playing field and global competitiveness (i.e., equal capital for equal risk). The new governance procedures will provide a structured "playbook" for how the NAIC updates capital requirements in a rapidly changing financial landscape.

For these reasons, the MIA does not believe any changes to the minimum capital stock and surplus requirements set forth in Sections 4-104 and 4-105 of the Insurance Article are necessary at this time.

Complaint Index Explanation:

Complaint Index The Maryland Insurance Administration (MIA) is presenting Closed Complaint Index reports for various lines of business, as compiled from the National Association of Insurance Commissioner's (NAIC) Complaint Data System. Maryland reports data regarding closed complaints to this national system through NAIC on a regular basis. This data was combined with financial reporting made directly to the NAIC to calculate the complaint index reports presented here. While these statistics may provide certain input to evaluate overall company performance and customer satisfaction, this information should be only one of many factors used in making a purchasing decision.

The Complaint Index Report(s) are categorized according to nine Policy Type groups. These Policy Type groups include the following lines of business:

1. Homeowners
 - a. Homeowners
 - b. Group Homeowners
 - c. Mobile Homeowner
 - d. Condo/Town
2. Private Passenger
 - a. Private Passenger
 - b. Group Private Passenger

- c. Commercial Motorcycle
- d. Rental
- 3. Individual Life
- 4. Group Life
- 5. Individual Accident and Health
- 6. Group Accident and Health
- 7. Credit Insurance
- 8. Medicare Supplement
- 9. Long Term Care

The Complaint Indexes found in Appendix 3 measure the volume of consumer complaints filed against each insurance company for a particular line of business in comparison to that insurer's share of the market in Maryland. An index result of 1.0 means that consumers filed complaints against the insurer in proportion to the insurer's market share. For example, if an insurer has a 10 % share of the market and 10 % of the complaints received by the Administration were against that insurer, the insurer's index would be 1.0. Thus, an index result of less than 1.0, means the Administration received fewer complaints against the insurer than the insurer's market share; and, conversely, an index of greater than 1.0, means the Administration received complaints against that insurer greater than the insurer's market share. The Complaint Indexes found in Appendix 3 are specific to Maryland's insurance market.

Here are definitions of terminology found at the top of each Complaint Index in Appendix 3:

- **Complaints Year:** This is the calendar year for which complaints data has been utilized to calculate the complaint index.
- **Total Complaints for Index:** This is the count of complaints for the entire market during the complaints year for the specific policy type.
- **Premiums Year:** This is the calendar year for which written premium has been counted to calculate market share.
- **Total Premiums for Index:** This is the total amount of premium written for the specific policy type in the Premiums Year.
- **Policy Type:** This is the type of insurance policy (line of business) for each Complaint Index.

Here are definitions of the column headings for each complaint Index:

- **Complaint Index:** The Complaint Index for the complaints and premiums from the comparison states for the complaint year and premium year selected. The calculation is Complying Share divided by the Market Share.
- **Cocode:** The 5 digit Company Code assigned to the entity being reported on.
- **Company Name:** The Company Name being reported on.

- **Complaint Share:** Total CDS Complaints for a company writing the designated line of business in a specified State/Region divided by the total CDS Complaints for all companies writing that line of business in the selected State/Region.
- **Complaints:** The Company's total complaints under the policy type for the calendar year are summed and displayed in this column.
- **Market Share:** Total business line premiums for a company in a specified State/Region divided by the total business line premiums for all companies in the selected State/Region.
- **Premiums Written:** Total premiums received by the insurer during the premium year for the selected line of business and State/Region.

SELECTION CRITERIA FOR COMPLAINT INDEX:						
Complaints Year: 2024						
Total Complaints for Index: 655						
Premiums Year: 2024						
Total Premiums for Index: 3241846760						
Complaints Selected: All Complaints						
Policy Type: Homeowner						
Report Detail Level: Cocode/Entity						
Selected States for Index: Maryland						
Premium Values

STATISTICAL DATA – FY25	
I. INSURANCE COMPLAINTS, NATURE OF COMPLAINTS, AND RESOLUTION	
A. Total number of complaints received in FY25	6,623
B. Form of complaints:	
Written complaints	6,315
Tips	308
C. Resolution of complaints in FY25	6,579
Closed after initial investigation	363
Opened for investigation by the Fraud Division	181
Referred to other MIA divisions	69
Referred to other law enforcement	256
Referred to insurer for review	52
In pending status awaiting insurance files	371*
II. CASES AND RESOLUTION OF CASES REFERRED TO:	
A. Local State’s Attorneys (Criminal Prosecution)	
Cases referred for prosecution	34
Investigations closed by filing charges	21
Individuals charged	6
Prosecutions declined	7
Still under prosecution review	0
Cases adjudicated	19
Penalties Imposed	19
B. Insurance Commissioner (Civil Sanctions)	14
Cases referred for Civil Order	
Investigations closed by filing Civil Order	12
Individuals/ Companies sanctioned	12
Sanction declined	2
Still under AG review	0
Cases adjudicated	12
Penalties Imposed	12

* This figure represents the number of pending status awaiting insurance files as of April 15, 2025. Beginning May 19, 2025 the MIA's Insurance Fraud and Producer Enforcement Division transitioned the Insurance Fraud and Producer Enforcement Division's case management operations to Salesforce. Beginning April 16, 2025 no new data could be entered into the pre-Salesforce system due to the transition. Following the Salesforce implementation the number of pending status awaiting insurance files as of June 30, 2025 was not captured, and therefore the data is not available as of that date.

III. CASES AND RESOLUTION OF CASES REFERRED TO THE OFFICE OF THE ATTORNEY GENERAL (“OAG”)			
Cases referred			20
Opened for investigation by OAG			16
Returned to Fraud Division/recommended closure			5
Still under prosecution review			3
Investigations closed by filing charges			7
Individuals charged			5
Convictions			25
IV. CALLS RECEIVED ON THE FRAUD HOTLINE			114
V. COMPLAINTS RECEIVED FROM REGULATED PERSONS			6,315
VI. COMPLAINTS RECEIVED FROM THE WORKERS’ COMPENSATION COMMISSION			
Cases referred			1
Closed at initial screening			1
Opened for investigation			0
Referred for prosecution review			0
Referred to insurance carrier			0
VII. CASES BY INSURANCE FRAUD TYPE			
Producer (agent/broker)			44
Health insurance claim fraud			315
False application			454
Property/Casualty claims fraud – automobile related			4,505
Property/Casualty claims fraud – other			1,334
Workers’ Compensation (claimant)			85
Disability claim fraud			36
Life Insurance claim fraud			142
Commercial claim fraud			138
Public Adjusters			20
VIII. NUMBER AND PERCENTAGE OF CASES WITH CIVIL OR CRIMINAL PENALTIES			
A. Civil penalties	12		100%
B. Criminal penalties	19		100%
