**Re: FY 2024 Annual Report of the Maryland Insurance Administration  
(MSAR # 1690) (inc. Job Creation Premium Tax Credit Report (MSAR # 11106))**

Dear Governor Moore, President Ferguson, and Speaker Jones:

Enclosed is the FY 2024 Annual Report of the Maryland Insurance Administration. This report is respectfully submitted pursuant to § 2-110 of the Maryland Insurance Article. Also included as its own section of the Annual Report, is the "Job Creation Premium Tax Credit Report" (MSAR # 11106). Section 6-307(b) of the Economic Development Article requires that, in accordance with § 2-110 of the Insurance Article, the MIA report on each insurer claiming the credit against the insurance premium tax under § 6-114 of the Insurance Article, the total amount of credits claimed by those insurers, and the number of insurers claiming the credit.

Five printed copies of this report have been mailed to the DLS library for their records.

Should you have any questions regarding this report, please do not hesitate to contact me or my Associate Commissioner of External Affairs and Policy Initiatives, Jamie Sexton, at [jamie.sexton@maryland.gov](mailto:jamie.sexton@maryland.gov).

Sincerely,

A handwritten signature in blue ink that reads "Marie L. Grant". The signature is fluid and cursive.

In accordance with Md. Ann. Code, Ins. Art. § 2-110(a) (2017 Repl. Vol), Acting Commissioner Marie L. Grant hereby submits the annual report of the operations of the Maryland Insurance Administration (the “MIA” or “Administration”) for fiscal year (FY) 2024 (July 1, 2023 through June 30, 2024) (“this Report”). Section 2-110 (a) lists ten (10) discrete topics that must be included in the annual report and this Report adopts the order of contents set forth in the statute. Additionally, pursuant to Md. Economic Development Article § 6-307(b), in accordance with the Md. Ins. Art. § 2-110, the MIA has also provided a report on the job creation premium tax credit.

## **A. INTRODUCTION**

The Maryland Insurance Administration (the “MIA”) is the independent State agency charged with the regulation of Maryland’s \$46 billion insurance industry. The MIA’s primary mission is to protect the rights and interests of insurance consumers by facilitating a strong and competitive insurance market, enforcing insurance regulatory laws and requirements, and offering consumer education and assistance.

The MIA’s specific responsibilities include licensing insurance companies and insurance producers (brokers/agents) doing business in Maryland; conducting financial examinations of companies to monitor financial strength and solvency; reviewing and approving certain insurance company acquisitions, transactions, corporate actions, distributions, and investments; conducting market conduct examinations and investigations to monitor compliance with Maryland law; reviewing and (with respect to some lines of business) approving rates and policy/contract forms; investigating insurance fraud; and investigating consumer complaints about the conduct of licensees or other actors in the insurance market, including complaints about the actions of insurance producers and life, health, automobile, homeowners, title, and commercial insurers.

The MIA produces educational material, guides, and alerts for insurance consumers and hosts virtual listening sessions, “lunch and learn” events, and educational webinars. The MIA’s Consumer Education and Advocacy Unit participates in hundreds of in-person community-based events throughout the state each year and assists consumers with insurance needs after a disaster through its Virtual Disaster Center and by staffing in-person disaster recovery centers.

The MIA also represents the State at the National Association of Insurance Commissioners (“NAIC”), the International Association of Insurance Supervisors (“IAIS”), and the Sustainable Insurance Forum (“SIF”). The MIA’s work is performed by a team of highly trained and professional staff of actuaries, financial analysts, auditors, examiners, accountants, lawyers, investigators, law enforcement officers, customer service representatives, consumer advocates, and others.

The MIA is a specially funded agency supported entirely through the collection of licensing fees and assessments on the insurance industry; it does not receive any money from the State’s General Fund. Assessments support two separate funds: the Insurance Regulation Fund, which supports the general administrative and regulatory activities of the MIA, and the Health Care Regulatory Fund, which funds the costs of complaint investigations (appeals and grievances) related to payment denials involving medical necessity, the Consumer Education and Advocacy Program, as well as costs associated with the regulation of Private Review Agents and Medical

Directors. These funds are maintained year to year and unused assessments are used to decrease future assessments and are not transferred to the General Fund. The MIA contributed \$745,978,538 in revenue to the General Fund in FY24. These contributions consist of premium taxes collected on business written in the State and penalties assessed on licensees for violations of insurance laws and regulations. In lieu of a state income tax on insurance company profits, the MIA collects a 2% tax on premiums from authorized insurers and a 3% tax on premiums written by unauthorized insurers.

Marie L. Grant was appointed by Governor Wes Moore to serve as Maryland’s Acting Insurance Commissioner, effective October 1, 2024, pending confirmation by the Maryland Senate during the 2025 General Assembly session.

**B. SECTION 2-110(A)(1)-(10) INFORMATION**

**1. Maryland Authorized Insurers and Summary Financial Statements**

*Section 2-110(a)(1) requires the submission of “a list of the authorized insurers transacting insurance business in the State, with any summary of their financial statement that the Commissioner considers appropriate.”*

The list is attached as Appendix 1.

**2. Closed Insurers**

*Section 2-110(a)(2) requires the submission of “the name of each insurer whose business was closed during the year, the cause of the closure, and the amount of assets and liabilities of the insurer that is ascertainable.”*

Licensees who ceased doing business in Maryland in FY24 are identified in the following table; however, at the time the certificate of authority was relinquished, the assets and liabilities of these insurers were not ascertainable.

### 3. Delinquent Insurers

*Section 2-110(a)(3) requires the submission of “the name of each insurer against whom delinquency or similar proceedings were initiated, a concise statement of facts about each delinquency or similar proceeding, and the status of each proceeding.”*

No delinquency or similar proceedings were initiated by the MIA in FY24. With respect to delinquency proceedings initiated in prior years, the MIA provides the following updates.

#### a. Evergreen Health, Inc.

On July 25, 2017, the MIA issued an Order prohibiting Evergreen Health, Inc. ("Evergreen Health") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and prohibiting Evergreen Health from selling or renewing any large or small group insurance policies without the prior approval of the Commissioner (Order MIA 2017-07-041). In addition, on July 31, 2017, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. That same day, the Court issued an Order of Rehabilitation by Consent (Case No. 24-C-17-003939) which appointed a Receiver to rehabilitate or liquidate Evergreen Health's business. On August 31, 2017, the Receiver filed a Motion to Liquidate Evergreen Health. On September 1, 2017, the Circuit Court for Baltimore City entered an Order Authorizing Liquidation of Evergreen Health and an Order Directing Certain Health Maintenance Organizations to Offer Evergreen Members an Open Enrollment Period. The liquidation of Evergreen Health is on-going. The Receiver has compiled and adjudicated the claims against the estate. A claim report is pending with the receivership court. The Receiver has requested a release from the United States Department of Justice to allow for a distribution.

#### b. Paramount Insurance Company

On September 10, 2018, the MIA issued an Order prohibiting Paramount Insurance Company ("Paramount") from making any disbursement, payment or transfer of assets without prior approval of the Commissioner, and ordering Paramount to cease writing new or renewal business in Maryland and the District of Columbia (Order MIA 2018-09-003). On September 13, 2018, the MIA filed a Complaint and Petition for Immediate Order of Receivership by Consent in the Circuit Court for Baltimore City. That same day, the Circuit Court granted a motion and signed the Order of Rehabilitation by Consent (Case No. 24-C-18-005120) which appointed a Receiver to rehabilitate or liquidate Paramount's business. On January 9, 2019, the Circuit Court for Baltimore City entered an Order Authorizing Liquidation of Paramount. The liquidation of Paramount is on-going. The Receiver is working with the guaranty associations to adjudicate the final claims against the estate. The Receiver has requested a release from the United States Department of Justice to allow for a distribution and has negotiated the form of a proposed release.

**4. Rulings and Decisions**

*Section 2-110(a)(4) requires the submission of “a list of the rulings and decisions made in cases before the Administration during the year.”*

The list is attached as Appendix 2.

**5. Fees, Taxes, Administrative Fines, and Penalties**

*Section 2-110(a)(5) requires the submission of “a statement of all fees, taxes, and administrative fines and penalties received by the Commissioner and deposited into the General Fund of the State.”*

**MIA CONTRIBUTIONS TO THE GENERAL FUND IN FY24**

	<b>FY24</b>
<b>General Fund Contributions</b>	
Premium Taxes	\$ 745,945,367
Retaliatory Taxes	5,450
Fines	1,229,235
<b>Total:</b>	<b>\$ 747,180,052</b>

**6. Complaint Data**

*Section 2-110(a)(6) requires the submission of “the ratio of complaints filed during the calendar year against each insurer for each major line of insurance written by the insurer and a summary of the resolution of the complaints.”*

In FY24, the Administration received 11,361 formal complaints. A complaint index is attached as Appendix 3.

**Summary of FY24 Complaints**

<b>Unit</b>	<b>Total Complaints</b>
Life and Health	3,253
Appeals and Grievance	1,000
Property and Casualty	7,108
<b>TOTAL</b>	<b>11,361</b>

In addition to the formal complaint process, the MIA's Rapid Response Program facilitates informal dispute resolution between consumers and certain property and casualty insurers. The Program is designed to address simple issues that can often be resolved quickly without the filing of a formal complaint. In FY24, the Rapid Response Program received 2,181 inquiries, primarily regarding automobile, homeowners, and liability insurance. Those inquiries are in addition to the 7,188 formal complaints received by the Property and Casualty Division of the MIA.

## **7. Recommendations for Statutory Changes**

*Section 2-110(a)(7) requests the submission of "recommendations of the Commissioner about changes in the law affecting insurance and about matters affecting the Administration."*

The Commissioner's recommendations for statutory changes the Maryland General Assembly to consider during the 2025 Legislative Session include:

- 1) Revise sections in Maryland's Insurance Article to align Maryland law with existing federal requirements related to health insurance found in the Patient Protection and Affordable Care Act (ACA) and the No Surprises Act. Specifically, Maryland should codify a new disclosure requirement for hospital indemnity or other fixed indemnity insurance, per a final rule issued by HHS in April on Short-Term Limited-Duration Insurance and Independent, Noncoordinated Excepted Benefits Coverage. Applicable health insurance products sold in Maryland must comply with federal law in addition to Maryland law, and aligning the language of Maryland law more precisely with corresponding federal requirements clarifies that the Maryland Insurance Administration has direct authority to enforce the federal requirements. The MIA regularly submits departmental legislation to codify into Maryland law recent updates to federal statutes and regulations related to health insurance.
- 2) Alter the current requirement in the Insurance Article for the Insurance Commissioner to approve training materials for credit insurance producers and replace it with a requirement that the training materials be designed to provide a comprehensive and accurate explanation of the product. The expertise with regard to these products lies with the insurers that sell them, therefore replacing the approval requirement with standards that the course must meet better serves the producers utilizing the courses, and therefore the Marylanders that those producers will service.

In addition, the Maryland Insurance Administration intends to work closely with members of the General Assembly during the 2025 legislative session on topics such as the affordability of private passenger auto insurance in Maryland; the affordability and availability of home insurance in Maryland; the strength of Maryland's health insurance markets; and regulation of utilization management, adverse decisions, and appeals and grievances in the fully insured health insurance market.

During the 2024 Legislative Session, the Maryland General Assembly deliberated and enacted many bills that affect the business and regulation of insurance in Maryland. A comprehensive bulletin of enacted legislation can be found on the MIA website at: <https://insurance.maryland.gov/Insurer/Documents/bulletins/24-15-Summary-of-Insurance-Laws-Enacted-in-2024.pdf>

## **8. Insurance Fraud and Producer Enforcement Division**

*Section 2-110(a)(8) requires the submission of “information about the operation of the Fraud Division, including”:*

- i. the number of complaints received that relate to insurance fraud, the nature of the complaints, and the resolution of the complaints;*
- ii. the number of complaints and cases referred to a State's Attorney and the resolution of the complaints or cases;*
- iii. the number of complaints and cases referred to the Office of the Attorney General and the resolution of the complaints or cases;*
- iv. the number of calls made to the insurance fraud hot line;*
- v. the number of complaints received from persons regulated by the Commissioner;*
- vi. the number of cases received from the Workers' Compensation Commission under § 9-310.2 of the Labor and Employment Article and the resolution of the cases;*
- vii. the total number of cases, by type of insurance fraud; and*
- viii. the number and percentage of cases that result in the imposition of civil or criminal penalties.*

In calendar year 2021, the Producer Enforcement Unit was relocated from the Market Regulation Division to the Fraud Division, which was renamed the Insurance Fraud and Producer Enforcement Division. In addition, in calendar year 2023, the Title Enforcement group was relocated from the Market Regulation Division to the Insurance Fraud and Producer Enforcement Division. The Producer Enforcement Unit's primary focus is investigating complaints related to the conduct of licensed insurance producers, advisers, public adjusters, and other insurance professionals required to hold a Maryland license or registration to engage in the insurance business within the state.

During FY 2024, two hundred fifty-three (253) investigations were completed. Out of these investigations, thirteen (13) Enforcement orders were issued, resulting in the imposition of \$45,500.00 in administrative penalties and the requirement to pay \$9,321.95 in restitution. It's important to note that sixty-six (66) of the two hundred fifty-three (253) investigations were conducted into license applicants.

The Title Enforcement group focuses on complaints about individual title producers. The Title Enforcement group completed 1,069 investigations of the activities of insurance producers conducting business in Maryland, of which 607 were license applicants. There were four (4)

Enforcement orders issued, wherein the Administration assessed \$15,400.00 in administrative penalties, and ordered \$235,096.69 in restitution.

In addition to the above, collectively, the Civil Fraud Unit, Criminal Fraud Unit, and the Attorney General Investigative Team investigated insurance fraud allegations, resulting in \$746,970.55 in restitution. The Civil Fraud Unit assessed \$44,000.00 in administrative penalties for violations of the Insurance Article.

The data contained in Appendix 4, “Statistical Data - FY24,” represent all case-related activity in FY24 and is not limited to activity on those cases received in FY24. Therefore, the number of received cases within a particular category will not equal the number of cases resolved/referred in that same category

Copies of orders, and consent orders issued by the Fraud and Enforcement Division are available at [insurance.maryland.gov](https://insurance.maryland.gov).

## **9. Staffing and Salaries**

*Section 2-110(a)(9) requires the submission of “a list of all staff positions, classifications, and salaries in the Administration as of the end of the preceding calendar year.”*

The list is attached as Appendix 5.

## **10. Other Relevant Information**

*Section 2-110(a)(10) requests” any other relevant information that the Commissioner considers proper.”*

The Commissioner submits the following additional information regarding the operations of the MIA in FY24.

### **a. Consumer Education and Advocacy Unit**

The Consumer Education and Advocacy Unit (CEAU) is responsible for providing consumers with information about their insurance policies and assisting them in gaining a better understanding of their rights and obligations under those policies. The statutory framework for the CEAU is contained in §§2-301 through 2-305 of the Insurance Article. The CEAU also facilitates the resolution of consumer disputes with certain property and casualty insurers through the Rapid Response Program.

With respect to in-person engagements, during FY24, CEAU gave 44 in-person presentations and participated in 554 in-person events. These numbers will continue to increase as in-person events increase. Virtual events are, however, very popular with consumers and provide unique opportunities for the MIA to interact with consumers on specific topics or issues of interest and concern. The media interface is also very effective in outreach efforts to younger consumers. The MIA sponsored or participated in 166 virtual events in FY24.

Consumer outreach in FY24 included some of the following examples:

- **Virtual Disaster Center:** CEAU and the Communications Unit established a virtual alternative to the MIA’s in-person disaster centers to allow the agency to disseminate information and assist affected consumers following a disaster. Using secure ZoomGov technology, the MIA offers consumers general information and one-on-one, breakout-room meetings for consumers in need of assistance. This technology-based approach complements the MIA’s on-the-ground presence in the wake of disasters and provides an attractive alternative to traveling to a physical location. The MIA is able to host other state and local governmental agencies and resource providers, providing Marylanders with full service virtual options. This has been very well received by consumers and responders as it allows consumers to secure meaningful assistance without needing to travel in the wake of a disaster.
- **Ask Mia Marketing Campaign:** The MIA launched a new virtual marketing campaign in FY21 targeting nontraditional audiences for insurance-related information. We created a cartoon character known as "Mia" that we use to promote events, virtual webinars and our virtual open houses. Since then, the MIA has expanded the “Mia” concept through social media and an interactive display at major events. In addition, the Mia character and her “friends” are used on social media.
- **Dedicated Spanish and Korean Website Sections:** In FY24, the MIA made significant changes to the Spanish & Korean pages by redesigning the layout adding more content.
  - [insurance.maryland.gov/En%20Espa%C3%B1ol/Pages/Spanish-Publications.aspx](https://insurance.maryland.gov/En%20Espa%C3%B1ol/Pages/Spanish-Publications.aspx)
  - [insurance.maryland.gov/%ED%95%9C%EA%B5%AD%EC%96%B4/Pages/Korean-Publications.aspx](https://insurance.maryland.gov/%ED%95%9C%EA%B5%AD%EC%96%B4/Pages/Korean-Publications.aspx)
- **Consumer Newsletter (Digital):** In FY23, the Communications Unit created a consumer-focused newsletter that contains information about the MIA’s latest consumer events, consumer alerts, and insurance tips. The newsletter is delivered to about 46,000 addresses monthly, about a 9.5% increase from FY23, via the Granicus GovDelivery email platform.
- **Constituent Update:** The MIA has also continued its use of a Constituent Update, which is emailed out monthly to help public officials throughout Maryland keep their constituents informed about the resources our agency provides, including virtual services. This update is an interactive document that public officials can edit as they see fit and easily share with their constituents.

- **Health Coverage Assistance Team Development:** Consistent with MIA’s mission to protect consumers, the MIA developed the Health Coverage Assistance Team (H-CAT) to help Marylanders with any health coverage-related question or barrier to receiving care, including behavioral health, regardless of whether their health plan is regulated by the MIA. The MIA approach was shaped by insights from a multi-stakeholder workgroup convened by the MIA. Then, for nearly a year prior to launching H-CAT to the public, the MIA met with consumer groups, community organizations, and local, state, and federal government agencies and officials to introduce the H-CAT concept, explain its purpose, and ask for guidance to refine the approach. Starting August 3, 2023, the MIA addressed 523 consumer inquiries as “test cases” to inform the design of the H-CAT internal protocols and data management system, to enable effective consumer support, partner relationship management, and reporting on lessons from H-CAT experiences in helping consumers. These reports will be shared with policy makers to help them gather insight about health coverage-related issues encountered by consumers. H-CAT officially launched on June 10, 2024, and in its first three weeks of operation, H-CAT staff received 72 consumer cases. H-CAT services were promoted by the Governor’s Office in a media release, and by the MIA at outreach events across Maryland, in MIA newsletters and social media, and by partners such as consumer groups and public agencies.

b. Market Regulation and Professional Licensing Division

The Market Regulation and Professional Licensing Division’s primary mission is to protect consumers from deceptive marketing, unfair claim settlement practices, underwriting and premium rating abuses, and misrepresentation of insurance coverage. The Division enforces regulatory compliance by companies with applicable state laws and regulations. The Division also oversees the licensing of insurance producers.

In FY24, the Division’s activities resulted in the return of \$15,623,459.10 to Maryland consumers, as well as the assessment of approximately \$331,900.00 in administrative penalties for violations of Maryland insurance law by insurers, producers and other regulated entities, which was deposited into the General Fund.

Within the Market Regulation and Professional Licensing Division, the Life and Health Market Conduct Examination and the Property and Casualty Market Conduct Examination units conduct company examinations and investigations focused on business practices. Regulated entities reimburse the MIA for expenses incurred in performing these examinations. In FY24, regulated entities reimbursed the Administration \$447,561.02 in examination fees.

Copies of orders, consent orders, and market conduct examination reports issued by the Market Regulation and Professional Licensing Division are available at [insurance.maryland.gov](https://insurance.maryland.gov)

The Market Analysis unit establishes and meets State objectives for integration of market data analysis, market conduct, and interstate collaborative efforts into a cohesive oversight program of the insurance market. In FY24, Market Analysis completed 51 baseline reviews of 39 licensed carriers and posted them to the NAIC's Market Analysis Review System ("MARS").

The Producer Licensing unit issues licenses and registrations to qualified resident and nonresident insurance professionals, including corporations, partnerships, and limited liability companies. In FY24, the Producer Licensing unit issued 51,613 initial licenses and renewed 81,880 licenses to producers, public adjusters, insurance advisers, motor club representatives, surplus lines brokers, viatical settlement providers/brokers, third party administrators, self-storage producers and portable electronic vendors. The Producer Licensing unit received 474 paper applications and 133,955 on-line applications in FY24. The total licensee population was 288,612 at the end of the FY 2024, which was comprised of 45,777 resident licenses/registrations and 242,835 non-resident licenses/registrations. The Producer Licensing unit collected \$9,115,271.00 in license fees and \$314,275.00 in license exam fees. As of the end of FY24, the Administration has 511 Continuing Education (CE) and 27 Pre-Licensing Education (PE) active providers of education for producers and 6,156 CE courses and 112 active Pre-Licensing courses.

c. Rate Review Pursuant to the Affordable Care Act (ACA)

With respect to health plans subject to the Affordable Care Act (ACA), in FY24, the Office of the Chief Actuary (OCA) reviewed, revised, and approved rate filings from four carriers in the Individual ACA market and four carriers in the Small Group market for plans with an effective date on or after January 1, 2024 through the Maryland Health Benefit Exchange (MHBE) or independently. For stand-alone dental plans, the OCA reviewed, revised, and approved rate filings from four carriers in the Individual ACA market. The OCA also initiated the rate review process for the 2025 ACA premium rate filings for plans to be sold on and off the MHBE. The OCA also supported analysis and monitoring through the MHBE of years four and five of the State Reinsurance Program (SRP) federal 1332 waiver reinsurance program as well as the 5-year extension

**C. JOB CREATION PREMIUM TAX CREDIT IN 2023**

Section 6-114 of the Insurance Article permits an insurer to claim a tax credit against its premium tax for wages paid to qualified employees as provided under Title 6, Subtitle 3 of the Economic Development Article. Under Section 6-307(b), of the Maryland Economic Development Article, the Maryland Insurance Commissioner is required to submit a report, in accordance with §2-110, listing each insurer claiming a job tax credit against its insurance premium tax owed, the total amount of credits claimed by insurers under §6-114 of the Insurance Article, and the number of insurers claiming the tax credit.

- No insurers claimed a job creation tax credit for the 2023 premium tax year.

# **Appendix 3**

P&C: Property and Casualty.

PPA: Private Passenger Automobile

**Complaint Index Explanation:**

The Complaint Indexes found in Appendix 3 measure the volume of consumer complaints filed against each insurance company for a particular line of business in comparison to that insurer's share of the market in Maryland. An index result of 1.0 means that consumers filed complaints against the insurer in proportion to the insurer's market share. For example, if an insurer has a 10 % share of the market and 10 % of the complaints received by the Administration were against that insurer, the insurer's index would be 1.0. Thus, an index result of less than 1.0, means the Administration received fewer complaints against the insurer than the insurer's market share; and, conversely, an index of greater than 1.0, means the Administration received complaints against that insurer greater than the insurer's market share. The Complaint Indexes found in Appendix 3 are specific to Maryland's insurance market.

Here are definitions of terminology found at the top of each Complaint Index in Appendix 3:

**Complaints Year:**

This is the calendar year for which complaints data has been utilized to calculate the complaint index.

**Total Complaints for Index:**

This is the count of complaints for the entire market during the complaints year for the specific policy type.

**Premiums Year:**

This is the calendar year for which written premium has been counted to calculate market share.

**Total Premiums for Index:**

This is the total amount of premium written for the specific policy type in the Premiums Year.

**Policy Type:**

This is the type of insurance policy (line of business) for each Complaint Index.

Here are definitions of the column headings for each complaint Index:

**Complaint Index:** The Complaint Index for the complaints and premiums from the comparison states for the complaint year and premium year selected. The calculation is Complying Share divided by the Market Share.

**Cocode :** The 5 digit Company Code assigned to the entity being reported on.

**Company Name:** The Company Name being reported on.

**Complaint Share:** Total CDS Complaints for a company writing the designated line of business in a specified State/Region divided by the total CDS Complaints for all companies writing that line of business in the selected State/Region.

**Complaints:** The Company's total complaints under the policy type for the calendar year are summed and displayed in this column.

**Market Share:** Total business line premiums for a company in a specified State/Region divided by the total business line premiums for all companies in the selected State/Region.

**Premiums Written:** Total premiums received by the insurer during the premium year for the selected line of business and State/Region.
