Re: Application for Conversion of Evergreen Health, Inc.

Dear Commissioner Redmer:

On behalf of Evergreen Health, Inc. ("Evergreen Health"), we submit for your approval the enclosed application to engage in a conversion to a for-profit entity pursuant to Title 6.5 of the State Government Article of the Annotated Code of Maryland. Following the conversion, control of Evergreen Health will be acquired by JARS Health Investments, LLC, Anne Arundel Health System, Inc., and LBH Evergreen Holdings, LLC.

Under State Government Article, § 6.5-201(c)(2), all information and documents filed by Evergreen Health with the Maryland Insurance Administration (the "Administration") in compliance with the requirements of Title 6.5 of the State Government Article or that are reported to, obtained by, or otherwise disclosed to the Administration or any other person in the course of an examination or investigation made under Title 6.5 of the State Government Article are confidential material, are not subject to subpoena and may not be made public by the Administration or any other person.

There are two statutory exceptions to this prohibition. First, under State Government Article, § 6.5-201(c)(3), material that otherwise is confidential may be made public by the Administration with Evergreen Health's prior written consent. Second, under State Government Article, § 6.5-201(c)(4), the Administration may make public all or part of the confidential material in an appropriate manner if, after giving Evergreen Health notice and an opportunity to be heard, the Administration determines that it is in the interest of Evergreen Health's subscribers or the public to make otherwise confidential material public.

We appreciate your consideration of the enclosed application and look forward to working with you through this process.
