When you purchase an automobile insurance policy, renew your policy, or make any changes to your policy, the insurer will give you a document called a “Declarations Page.” The Declarations Page identifies the kinds and amounts of coverage you have and how much it will cost you. It is very important that you review the Declarations Page as soon as you get it to be sure it is accurate and that you know what your policy will cover. If you see any incorrect or missing information, you should contact your insurance producer or insurer immediately. The following example may make it easier to help understand your Declarations Page and your coverage.
