

Credentialing Town Hall

Join **Maryland Insurance Commissioner Kathleen Birrane** and the **Maryland Insurance Administration** as we hear from interested stakeholders regarding credentialing in the health community.

We look forward to discussing the following issues:

- Lack of credentialing standards for facilities under Maryland law.
- Health carriers' credentialing rules for staff at facilities.
- Credentialing requirements that vary between carriers.
- Reports of carriers asking an out-of-network provider to enter a single case agreement after previously stating that their network was full for that provider type.
