What is the Maryland Insurance Administration

The Maryland Insurance Administration (MIA) is the state agency that regulates insurance in Maryland. The MIA:

- Licenses insurers and insurance producers (agents or brokers).
- Examines the business practices of licensees to ensure compliance.
- Monitors solvency of insurers.
- Reviews/approves insurance policy forms.
- Reviews insurance rates to ensure rates are not inadequate, excessive or unfairly discriminatory.
- Investigates consumer and provider complaints and allegations of fraud.

[Video: How the MIA can help]
What is the Maryland Insurance Administration?

• If you feel that your insurer or insurance producer acted improperly, you have the right to file a complaint. Examples of improper actions include:

  • Improperly denying or delaying payment of all or portions of a claim;
  • Improperly terminating your insurance policy;
  • Raising your insurance premiums without proper notice;
  • Making false statements to you in connection with the sale of insurance or processing of insurance claims; and,
  • Overcharging you for services, including premium finance charges.
What is Auto Insurance?

Auto insurance is a contract between you and the insurer that protects you against financial loss. In exchange for you paying a premium, the insurer agrees to pay for certain covered losses as described in your policy.
Auto Insurance Coverage

*Liability Insurance* – protects policyholders and other insureds when they cause an accident. There are two types of liability coverage:

Bodily injury liability coverage – Protects you if the driver of your car causes an accident and an injured person makes a claim or files a lawsuit against you, unless the driver of your car is excluded or does not have a reasonable belief they are entitled to drive your vehicle.

Property damage liability – Protects you if the driver of your car causes an accident resulting in damage to someone else's property, like another vehicle or other property, such as a fence, unless the driver of your car is excluded or does not have a reasonable belief they are entitled to drive your vehicle.
Auto Insurance Coverage

Maryland law requires all registered vehicle owners to carry a minimum amount of liability coverage. The coverage required by law is:

- $30,000 for bodily injury per person
- $60,000 bodily injury per accident; and
- $15,000 property damage
Auto Insurance Coverage

*Uninsured Motorist (UM) coverage* – protects you and other insureds under your policy’s terms when an accident is caused by a driver who does not have auto insurance coverage, does not have enough liability insurance, or when the owner of the at fault vehicle cannot be identified such as in the case of a hit-and-run.

Maryland Law requires all registered vehicle owners to carry a minimum amount of UM. The coverage required by law is:

- $30,000 for bodily injury per person
- $60,000 bodily injury per accident; and
- $15,000 property damage
Auto Insurance Coverage

What happens if I have a lapse in my auto insurance coverage?

Maryland law requires that you maintain the required minimum coverage at all times while the vehicle is registered. The Motor Vehicle Administration will assess a penalty for every day that you do not maintain minimum coverage.

More details are available on the Motor Vehicle Administration’s website at:

Auto Insurance Requirements in Maryland
Auto Insurance Coverage

Collision Coverage – an optional coverage that you purchase to provide for payment of property damage to your insured vehicle from a collision with another vehicle or object. If you are in an accident and have collision coverage, your insurer will pay to repair your vehicle or will pay you what your vehicle was worth right before the accident occurred if your vehicle is a total loss.

Comprehensive Coverage – pays for damage to your car resulting from causes other than a collision, like vandalism, theft, or storm damage.

Typically, both collision and comprehensive coverage have a deductible.
Comprehensive Coverage

• When it comes to auto insurance coverage, Comprehensive Coverage provides you the coverage for property damage to your insured vehicle resulting from occurrences other than collision.

• Flooding

• Theft

• Vandalism

• Glass breakage not resulting from an accident

• A vehicle striking an animal
Auto Insurance Coverage

*Personal Injury Protection (PIP)* - provides reimbursement for medical expenses arising from a motor vehicle accident for injuries to you, your passengers, or a pedestrian struck by your vehicle. It will also cover lost wages and other related expenses arising from a motor vehicle accident. Maryland law requires insurers to offer policyholders at least $2,500 in PIP. You may elect to purchase limited PIP coverage and certain individuals may be able to fully reject PIP coverage.
Comparison Shop

Comparison shop by looking to see if you can obtain those same coverages from another insurer at a lower cost.

• Make sure you compare policies that offer the same types of coverage with the same deductibles and coverage limits.

• Make sure the information you provide is accurate and that you provide the same information to each insurer you call.

• Ask about deductibles and when they apply.
Comparison Shop

• Ask about what is covered and what is excluded.

• Do not buy an insurance policy based solely on its price – consider the coverages, limits and the customer service, including claims service before you buy.

• Ask friends and neighbors about their experience with difference insurers

This guide lists those insurers writing the greatest number of insurance policies in Maryland. Individuals may not qualify for coverage with all insurers. Affiliated insurers have different underwriting standards. Within a group of insurers (i.e. State Farm or Allstate), consumers are placed in the affiliated insurer based on their risk level.

Filing an Auto Insurance Protest or Complaint

If you receive a Notice of Premium Increase or a non-renewal notice pertaining to your auto policy in Maryland, you have the right to file a protest and have your situation investigated.

Video: Protesting an Auto Rate Increase

The MIA also established a Rapid Response Program designed to help certain consumers resolve property and casualty claims (such as auto) quickly and without having to file a formal written complaint. For more information about this program, please contact us at 410-468-2340 or 800-492-6116 ext. 2340. Participation in the Rapid Response Program is voluntary and does not affect your right to file a formal complaint.
