Do You Know Your Flood Risk?

Join *MIA*, the **Maryland Insurance Administration**, and the **Maryland Department of the Environment** for a short, informational session on Flood Maps. During this presentation, consumers can expect to learn where they can find flood maps, how they can use flood maps, and the importance of understanding the flood risks. We will also review what steps consumers can take to help protect their property from flood damage. We promise you'll learn something. We hope to see you there!
