31.03.02 Insurance Producers—Continuing Education Requirements

Authority: Insurance Article, §§2-109, 10-115, and 10-116, Annotated Code of Maryland

Notice of Proposed Action [19-109-P]

The Insurance Commissioner proposes to amend Regulation .03 under COMAR 31.03.02 Insurance Producers—Continuing Education Requirements.

Statement of Purpose
The purpose of this action is to amend Regulation .03 under COMAR 31.03.02 Insurance Producers—Continuing Education Requirements. In the past, not enough course-specific title insurance were available for insurance producers to take in order to meet their continuing education requirements. Recently, title insurance courses have become more readily available and at this time, there are enough title insurance courses available for insurance producers to meet their continuing education requirements taking “title” courses. Therefore, the Maryland Insurance Administration is proposing a change to Regulation .03 to require insurance producers who are licensed in title insurance only to take continuing education courses designated as “title”.

Notice of Proposed Action [19-108-P]

The Insurance Commissioner proposes to amend Regulation .03 under COMAR 31.04.17 Filing of Forms for Approval.

Statement of Purpose
The purpose of this action is to amend COMAR 31.04.17.03 Filing of Forms for Approval. It has come to the attention of the Maryland Insurance Administration’s Life and Health Unit that several group annuity carriers are submitting group annuity certificates without a company officer’s signature. The Maryland Insurance Administration believes that a signature is required on the certificate for it to be a valid contract. Therefore, we are planning to amend the regulation to require a signature from a company officer on all only riders and endorsement forms, but also on group certificates, policy amendments, and on both individual and group contracts under a variety of life and health products.

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact
The proposed action has no economic impact.

Economic Impact on Small Businesses
