ALFRED W. REDMER, JR.
Insurance Commissioner

Subtitle 10 HEALTH INSURANCE — GENERAL

31.10.18 Denials of Coverage Based on Medical Necessity

Authority: Insurance Article, §2-109 and Title 15, Subtitle 10A, Annotated Code of Maryland

Notice of Proposed Action
[18-121-P]

The Insurance Commissioner proposes to amend Regulations .05 and .11 under COMAR 31.10.18 Denials of Coverage Based on Medical Necessity.

Statement of Purpose

The purpose of this action is to amend the standards for an emergency case for which an expedited review of a grievance is required and to amend the standards to demonstrate a compelling reason to file a complaint without first exhausting the carrier’s internal grievance process.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

I. Summary of Economic Impact. The cost to the agency may increase slightly as consumers can file a complaint with the Maryland Insurance Administration before going through the insurance company’s internal grievance process first, which may result in more complaints that the Administration must review.

II. Types of Economic Impact.

.11 Demonstration of Compelling Reason to File Complaint.

A. A member, a member’s representative, or a health care provider on behalf of a member may file a complaint without first exhausting the internal grievance process of a carrier if the complaint demonstrates to the satisfaction of the Commissioner a compelling reason to do so. A compelling reason includes [including a] showing that the potential delay in receipt of a health care service until after the member or health care provider exhausts the internal grievance process and obtains a final decision under the grievance process could result in:

1. [text unchanged]
2. Serious impairment to a bodily function;
3. Serious dysfunction of a bodily organ, or;
4. The member remaining seriously mentally ill or using intoxicating substances with symptoms that cause the member to be in danger to self or others, or;
5. The member continuing to experience severe withdrawal symptoms.

B. A member is considered to be in danger to self or others if the member is unable to function in activities of daily living or care for self without imminent dangerous consequences.
