RE: Contract Filings

BULLETIN NO.: Life and Health 02-5

We would like to bring to your attention revisions that will be required of the small group contracts issued or renewed on or after July 1, 2002. These revisions were published in the Maryland Register on December 28, 2001. Notice of Final Action was published in the Maryland Register on March 8, 2002.

We recommend that these changes be made through an amendment rider which will be attached to the group policy and certificate. Please specify the form number and date of approval of the policy to which the amendment rider will be attached. To ensure approval by July 1, 2002, the filings must be received by this Administration by May 1, 2002.
