

Maryland Insurance Administration

Rev 4/10/17

FILING FEES

- Each form and rate filing requires a \$125 filing fee for the rate portion and an additional \$125 for each form submitted.
- Filing fees are not required for life premium rate filings (except credit insurance), HMO provider contracts, or for supporting documents such as actuarial memoranda, advertising, disclosure statements, outlines of coverage, or illustrations.

**SERFF FILING REQUIREMENTS
FOR LIFE AND HEALTH**

- Please login to SERFF (login.serff.com), select the “Filing Rules” tab, and select “General Instructions.” For health insurance, follow the procedures outlined for the “MarylandH” instance. For life insurance and annuities, follow the procedures outlined for the “Maryland” instance.

**PAPER FILING REQUIREMENTS
FOR LIFE AND HEALTH**

- Include cover letter
- File forms in duplicate
- Include correct filing fee
- For health insurance, include the Flesch reading score and submit initial rates and actuarial memoranda (subsequent rates are to be filed with Actuary). If group contracts include variable text, include description of all variations.
